Superintendent

***Megan Kellow***

Student Services Director

***Kjm Seals***

Financial Services Liaison

***Ursula McVittie***

Human Resources Specialist

The NKN school district, has had a high school student test positive for COVID 19. Some of you are asking what that means for our football team since they played NKN on Friday. Even if the student were a football player, the Tillamook County Health Department would not recommend that our football team members quarantine. When there is a confirmed case of COVID 19, contract tracing goes back 48 hours. Thanks to the proper use of health and safety protocols, the event being held outside, and that contract tracing only reaches back 48 hours, even if the student who tested positive was a football player our student athletes would not need to quarantine. If we receive further information and or direction from the health department, we will update you. We wish the NKN student a speedy recovery.

If you have questions please call the high school office at (503) 392-3194 Ext 100 or 102.

Thank you

Misty L Wharton
